Hon Wm Lloyd Garrison.

My Dear Sir:

We have a

few gas met to-night  
and organized for the  
purpose of raising funds  
to aid the colored people  
of the South in getting to  
some part of the country  
where they can enjoy the  
rights of men and citizens  
Shall we forward the funds  
to you? Please answer  
and oblige.

Respectfully

R. P. Whitney, Chairman
